

# WELCOME

*Dear Parents,*

Welcome to my classroom! I am so excited to tackle this year and put into use all of the wonderful tips, tricks, and skills I learned this summer to engage your child virtually.

Whether you chose elearning for this year or had your plans change, I understand there are challenges facing us this year. Please know I will do whatever I can to support you and your student as we navigate this unprecedented time. Please reach out via email or on one of our virtual platforms and I will respond as soon as I can.

Daily School Hours: 8:50 a.m. - 3:30 p.m. Monday - Friday. Primary Instruction and services will occur during the hours of 8:50 a.m. - 1:30 p.m. every day with optional 30 minute 1:1 teaching sessions available based on student need/parent request and availability. I will try to respond to emails and messages ASAP however, please allow 24 hours on weekdays and 48 hours on weekends for responses.

One of the positives coming out of this time is our ability as teachers to see and connect with our students and their families in their homes. I am looking forward to joining your student in his or her home office and welcoming them into my home classroom.

**Sincerely,**  
*Ms. Budde*

# Our Class

## Classroom Zoom Policy

Each month students will be sent (via Seesaw) the classroom zoom link (password: Budde). This will be the only link for zooming with my classroom over that time. Students will join the zoom link for their designated time slots. For 1:1 instructional sessions I will wait for 10 minutes before reaching out to reschedule. Breakout rooms will be utilized for 1:1 and small instruction in social emotional and academic areas. Students are expected to have supervision, however there will be times when I ask parents/caretakers to step back and let their student show what they know without help!

## Classroom Dojo and Behavior Support:

This year we will be utilizing Classroom Dojo for communication, student accountability, and social emotional support. Students will receive and in some case lose points based on classroom expectations. Room 1B mon-stars will be learning and developing their behavioral skills to earn their blackbelt from the behavior sensei herself: Ms.Budde.
